

Calling All Kids!

2010

Art Contest!

Calling all kids ages 3-12!

We've launched a new campaign to help frogs! As part of the campaign we're excited to announce the first FROGS ARE GREEN art contest for kids.

Contest theme: IT IS EASY BEING GREEN!

Your artwork can be about frogs and how we can help them, or it can be about ways we can be green at home, at school, or in the community.

Deadline for submissions is November 30, 2010 and the winner will be announced December 15, 2010. The winner will be featured in a post and his or her artwork will be used to create a poster for the campaign. The winner will also receive 2 copies of this new poster. All other kids who enter will receive a FROGS ARE GREEN (eco-friendly) wristband.

We're looking for drawings, paintings, sculpture, collage, or whatever format helps you express yourself. Send your digital files or photographs of the objects to us at info@frogsaregreen.com. The file should be no larger than 3MB.

We can't wait to see your artwork!
